MaritechONE

AGENTIC ERP

Why Partner with MaritechONE?

We help businesses work smarter with powerful, flexible and affordable management software.

By partnering with us, you'll gain access to proven business processes, modern cloud solutions and a dedicated team that supports your success at every step.

Partner Levels

Partners are approved by the MaritechONE team, assigned a dedicated account manager, and given a partner level. The level will appear as a badge in your account profile and top bar.

Partner Level	Description
 Registered	Getting Started Together Entry-level partner with access to the Partner Hub, resources, and support from your dedicated account manager.
 Silver	Growing Your Capabilities Build your business with increased support, access to more resources, and greater opportunities.
 Gold	Expanding Together For established partners with a strong track record, unlocking additional benefits and priority support.
 Platinum	Achieving Greater Success Our highest partner level, designed for strategic partners with significant engagement and growth potential.

Your partner level is assigned by the MaritechONE team and displayed in your account.

Approved partners can access resources, benefits, certification and agreements through the Partner Hub.

The Partner's Role

Professional Services

Customization, development, integrations, deployment, support and maintenance.

Business Services
